

## CENTERPIECE OF THE MONTH

You have to love a man who can make a toilet brush look chic. Architect **Michael Graves**—designer of the iconic Alessi “Whistling Bird” teakettle and some equally stylish new kitchen and bathroom wares for Target—answered our call for a simple holiday centerpiece with this bright idea. Graves uses nothing more than a few martini glasses, silver taper candles, Hershey’s Kisses and some greens plucked from the tree. You don’t need a fancy fabric runner: Just use wrapping paper.
